Pranal Siripurapu
Computer Science Major

◎ Pittsburgh, PA | ☎ +1 (425) 471 2947 | @ realpranal@gmail.com | ⬡ https://pranalsiripurapu.com/

Summary

Computer Science freshman at the University of Pittsburgh with skills in Java, AI and Web development. Looking for internships or part-time opportunities to apply technical and creative problem-solving.

Experience

Vercible   **June 2024 - August 2024**
AI/ML Intern   Sammamish, WA

Built a functioning Chatbot application using the GPT3.5 Turbo model that matched students to internships and camps from a custom database of 700 opportunities. Matched based on location, major, GPA, interest and pay/cost.

Projects

Portfolio Website   **QR Code Generating Website**   **September 2025**
⬡ https://pranalsiripurapu.com/   ⬡ https://qrstudio.pages.dev/

Built a reactive Portfolio Website using HTML & CSS. Hosted on Cloudflare Workers.

Built a QR Code Generator Website that generates a downloadable QR Code if you enter any text or link. Built using HTML, CSS, & JS with the QRCode.js Library. Hosted on Cloudflare Pages.

Youtube Transcript Tool   **August 2025**   **RAG Chatbot**   **September 2025**
⬡ https://github.com/Shinrinyoku-Pranal/Youtube-Transcript-Tool

A Python tool that downloads YouTube audio using yt-dlp, converts audio to mp3 using ffmpeg, and transcribes it to text using OpenAI Whisper. Works with any video, even if captions are unavailable.

Built a Retrieval-Augmented Generation (RAG) chatbot using Hugging Face and the Genma3 model, using documents such as the Constitution of the United States, the Bill of Rights, Civil Rights Acts (1964, 1968, Voting Rights act of 1965).

Stress Relief Game   **September 2025**   **Terminal Chatbot**   **August 2025**
⬡ https://georelax.pages.dev/   ⬡ https://github.com/Shinrinyoku-Pranal/Terminal-Chatbot

An interactive stress relief game built with HTML, CSS, & JS using the Three.js Library. Hosted on Cloudflare Pages.

Built a chatbot that can be run in a terminal using Ollama LLM and model llama3.1.

AI Music Artist   **August 2025 - Present**   **KDP Publisher**   **June 2025 - Present**
⬡ https://open.spotify.com/artist/2aDXfGkd7DBcHxbo10kwTD   ⬡ https://a.co/d/eDL2VLq

Produced and released 2 AI-Generated Songs using Sonauto and arranged using WavePad across 26 platforms (Including Spotify, Amazon Music, Youtube Music, Pandora). Published with DistroKid.

Designed and published custom lined journals on Amazon KDP.

Education

University of Pittsburgh   **August 2025 - Present**
Computer Science

Freshman student at the University of Pittsburgh's School of Computing and Information.

Volunteer Experience

Redmond City Hall   **July 2022**   **Eastlake High School**   **November 2022**
Volunteer   Redmond, WA   Volunteer   Sammamish, WA

Assisted 30+ attendees, managed 20+ stalls, and supported operations during Derby Days.

Organized raffle event, set up 30+ market stalls, and promoted event across Sammamish using yard signs.

Certifications

Microsoft Office Associate (Word, Excel, Powerpoint)   **December 6th, 2024**
Microsoft
